

Calling all Dads

The Men's Club 2009-2010 fee of \$60
is now due.

All fathers of children in St. Veronica Catholic School are members of the Men's Club. The Men's Club fee is a part of the annual Tuition Contract signed by each family.

The \$60 fee along with the other fundraising activities of the Men's Club support all aspects of our Parish Sports Program and many other needs of the parish and school.

There has been some confusion in the past between the annual Men's Club fees and the sports fee because they are the same amount and collected at the same time. These are two separate fees. Every father is required to pay the annual Men's Club fees or dues. The sports fee is charged only if/when you submit a form for your child to play a sport.

Our sports program is very expensive to run. The sports fees do not raise enough revenue to support the program. Some of the sports program expenses include equipment, uniforms, maintenance of the floor in the Parish Center, baskets, nets, scoreboards, tournament and league fees, insurance, utilities, facility maintenance, and garbage. We also help fund a part of the K-3rd grade room parent funds, since they support our fundraisers but do not play sports for our school yet. There are many other items than those listed above in our annual budget.

At our May 21st meeting we will vote to approve the budget for next school year. I urge you to come and be a part of this. We need you to make our program the best it can be for our children.

**Please attach your \$60 FY2009-2010 annual dues
and send to: Chris Krol - c/o the School Office.**

Payment due by May 22, 2009.
