## Spring Cleaning at the Shops at Tanforan!

Everyone knows that with Spring comes spring cleaning! That time of the year where you go through all your belongings and rid yourself of the old and update for something fresh and new. We at The Shops at Tanforan have taken spring cleaning seriously.

Take a look at our re-designed website, full of exciting features and a new look. Visit [www.theshopsattanforan.com](http://www.theshopsattanforan.com). Let us know what you think on our Facebook page.

Also, the moment you have all been waiting for... **Our email program is back!** If you are not currently a member of our email club, you can sign up on our website or at any of our upcoming events. Don't miss out on exciting mall offers and exclusive member rewards!

## Earth Day 2011 - Don't let it be just another day!

### Eco-Friendly Tips

Here are some tips on how you can make a difference not only on Earth Day, but throughout the year. It takes one small initiative to make a big difference for future generations to come!

#### CONSERVE WATER

Start conserving water today!

- Turn off the faucet when brushing teeth or doing dishes
  - Take shorter showers (each minute equals 2.5 gallons)
- Cleanup sidewalks and driveways with a broom instead of hosing them down
- Water plants only when needed. Water the lawn once a week and only at night.

#### COMPOST

Composting is nature's way of recycling decomposed organic materials into a nutrient-rich soil. By composting organic waste, you can keep waste stream out of landfills and waterways. The three ways to compost (each requires "browns" (newspaper, leaves) and "greens" (grass, food scraps.)

- Backyard composting
- Grasscycling
- Vermicomposting
