**Principal’s Notes:**

Our monthly school Liturgy is one of the most important activities we celebrate with one another each month, because this is a time when we come together in fellowship and worship as a school community. Most of these school liturgies are on the first Friday of each month unless there is a holiday or another scheduled event. Since the teachers were at an in-service on Friday, February 4<sup>th</sup> we celebrated our monthly school liturgy on Friday, February 11<sup>th</sup>. Please look in the weekly bulletin for scheduled dates. Whenever we have school liturgies, all parents are invited to attend. You are invited to come and celebrate with us, even if your child’s class is not preparing the Mass. The more people who come, the greater the celebration! We would also like to extend an invitation to our monthly class masses which are normally held on the first Sunday of the month. This month seventh grade was responsible for the liturgy. Next month, on March 6<sup>th</sup> sixth grade will prepare the liturgy. Again, please join us and continue to live our faith through the celebration of the mass.

Many, many thanks to everyone who made the annual Crab Feed such a great success. The food and the service were as good as any four star restaurant. I saw a lot of activity on the dance floor which is always a good sign that a party is a success. This was truly an evening of collaboration with the school and the parish community. Thank you for making my first Saint Veronica Crab Feed such a memorable occasion.

May the gifts of the Holy Spirit continue to enlighten your lives,

Kathy Lucchesi

**Gifts of the Holy Spirit**

I think my gift from the Holy Spirit is the gift of knowledge. With this gift I am able to tell other people things they might not know that I know. To get this gift you have to pay attention in school and you can also learn from your family because they know more than you do.

Having knowledge doesn’t mean that you get straight A’s all the time. It can mean that you know right from wrong, or you’re book smart or people smart. Some people have all 3’s or 2’s or even 1’s but either way they have the gift of knowledge.

## SCHOOL ADVISORY BOARD

After much reflection and consultations with the Archdiocese, I am glad to announce to you the members of the School Advisory Board:

Ivan Sequeira, Lori Cadigan, (both current school parents)  
Patrick Lucy, (alumnus and Youth Ministry Coordinator) and  
Steve Farren, (former school parent).

With the Pastor, Principal, and a rotating faculty member, the Board will consist of seven members at present

I thank Ivan, Lori, Patrick, and Steve for accepting my invitation to serve on this board.

They will advise Mrs. Lucchesi and me as we move forward toward greater excellence in various aspects of the school life. They will also help us toward integrating the school as part of the parish ministry. Their role will be purely advisory. We will meet five times a year (every other month) with the summer months off.

For the next academic year 2011-12, we will be seeking nominations in the Fall for two more candidates from school parents to be on this board. After interviews, they will be appointed to the board.

Those applying need to possess qualifications listed below:

- Registered members of St. Veronica parish.
- Involved in the events/activities of the school.
- Active in the faith and liturgical life of the parish.
- Supportive of the parish ministries through their time, talent, and treasure.
- A record of positive and harmonious collaboration with the Principal and Pastor.
- A clear understanding of their advisory role.
- A clear vision of the school as part of the parish ministry.

Please join me in welcoming the new members of the School Advisory Board and wishing them well.

With warm regards - Your friend and pastor,  
*Father Charles Puthota.*
