**Principal’s Notes:**

As we begin to prepare for Holy Week may all of us use this week to reflect on how we might better exemplify Christ’s compassion by striving to make a difference in the world. All of us are endowed by God with talents and gifts that enable us to make a difference. “As Catholics we are called to be compassionate and get involved. Jesus tells us to feed the hungry, welcome the stranger, clothe the naked, and visit the imprisoned. These are the Corporal Works of Mercy.

Three characteristics of compassion are:

1. Compassion is concrete action given to those who are in distress.
2. The compassionate person enters the suffering of the person in distress.
3. Compassion is friendship shared with those exclusively who are lacking.

Best wishes to all of you for a Holy Week that is richly prayerful and renewing, and may you find great joy in encountering the living and resurrected Jesus Christ this Easter.

**Gifts of the Holy Spirit**

The gift that the Holy Spirit has given me is the gift of wisdom. The dictionary states wisdom is, "the ability to discern or judge what is true right". I do not make decisions very fast. I feel wisdom means that you use all the information that you have and consider what would be the right decision to make no matter how popular that decision might be.
