Principal Notes

This is an exciting week for our school. It is a week of mixed emotions for our school. It is a week of triumph and victory for our school. Our 8th grade class will be graduating on Friday, June 3rd. I have enjoyed this class a great deal. They are a class with lots of personality. They are a class that desires greatness and does not shy away from challenges.

Please join me in praying for our 8th grade graduates this week in a very special way and for their families. Please join me in giving praise to God for them and for all that they are. I hope many of you will be able to join us for the Baccalaureate Mass on Friday, June 3rd at 10:15 A.M. in the Church and at the Graduation Ceremony at 5 P.M. on the same day, also in the Parish Church.

Gift of the Holy Spirit

The gift that the Holy Spirit has given to me is the gift of knowledge. Knowledge means to understand and to keep something known inside your mind and it is also understanding gained by actual life experiences. To me, knowledge, is knowing something and using it to achieve positive outcomes or results. The Holy Spirit has given me the gift of knowledge because at an early age, I am capable of differentiating between good and bad. For example, when I am under peer pressure I will not submit myself to what my friends are doing even if they think that it is cool, but it is actually not and that is where I apply my gift of knowledge. As I grow up or mature having that knowledge will help me make better choices and wise decisions in life. There are 7 gifts of the Holy Spirit and there are enough for you to find, so make good use of them.
